**5. Application for Barbadian COEs**

- 5.1 Applications for Barbados COE are not accepted from individuals and shall be submitted by the Seafarer Agent, the company appointed by the vessel owners engaged in the employment, recruitment, or selection of persons for service on Barbados vessels.
- 5.2 Companies that wish to be recognised as Seafarer Agent for applying COEs as per Sec. 5.1 above shall submit the form PPS01-F02 to [stcw@barbadosmaritime.com](mailto:stcw@barbadosmaritime.com)
- 5.3 All seafarer applications shall be submitted via the BMSR SHQ. Once the application is submitted, a Confirmation of Receipt of Application (CRA) can be downloaded by the person submitting the application.
- 5.4 The Documents required along with the application form are:
- .1 Valid passport;
  - .2 Medical Certificate (issued as per Sec. A-I/9 of STCW Code);
  - .3 National COC and COP;
  - .4 Recent Passport Size photo.
- 5.5 Details regarding applicable fees are provided on BMSR website: <https://barbadosmaritime.org/registration/registration-fees/>
- 5.6 Seafarers are permitted to serve on a Barbados vessel as soon as they have the CRA. The CRA is valid only for 3 months and cannot be extended.
- 5.7 The application shall be submitted for both COE and SRB uploading PPS01-F01 on SHQ. Applicants need to submit the listed documentation along with the application for the process to commence.
- 5.8 The validity of the COEs corresponds to the expiry date of the applicant's National COCs and COPs. Where only the issue date is noted, BMSR will accept a validity of two years for individuals up to 65 and one year for those older than 65. For individuals over 65, an Endorsement will only be issued with a validity of one year, and it will only be renewed each year upon receipt of a new medical certificate.
- 5.9 Where an officer's additional qualification consists of a separate CoC not recorded on the CoC submitted for recognition under STCW Regulations I/10, this additional qualification, if required and practicable, will be noted on the COE. While recording the additional qualification, the validity of the COE will still be issued based on the national COC's validity.

- 5.10 The issuing Administration may record the GMDSS qualification in one of two ways.
- .1 The GMDSS can be included on the issuing Administration's COC document, in which case the expiry of the COE is the date given on the issuing Administration's COC document.
  - .2 A separate Certificate of Competency issued for the GMDSS qualification. A separate COE is issued (for which an additional charge is applied) using the validity as per the issuing Administration GMDSS document.
- 5.11 Medical Certificates are acceptable only when issued in accordance with the provisions of STCW Sec. A-I/9 of STCW Code by Administrations having IMO (White list) recognition as listed in MSC.1/Circ.1163/Rev.13 or by approved BMSR medical practitioners.
- 5.12 Confirmation of the applicant’s identity, whether for a COE or an SRB, is done by the following actions:
- a. The Crew Officer has to check that the information uploaded on SHQ is correct, verify on national websites and then issue COEs as per PPS01-F01;
  - b. The applying company’s Declaration of Authenticity is included in PPS01-F01, is signed and stamped by the Seafarer Agent; and Personal details entered on SHQ are cross-matched with PPS01-F01.

6. Verification of Seafarer Documentation by Third Parties

- 6.1 Third parties may carry out verification of Seafarer Documentation by accessing the “Validate a Document” on the BMSR website [https://portal.barbadosmaritime.org/certificate\\_validators](https://portal.barbadosmaritime.org/certificate_validators) or by scanning the barcode printed on each document.
- 6.2 Following Circular Letter No.5019 dated 06 May 2025, despite Sint Maarten being listed in MSC.1/Circ.1163/Rev.13 the BMSR does not accept COCs issued under the name of Sint Maarten.
