Accreditation of Class NK as Marine Warranty Surveyor for Offshore Wind Farms

To whom it may concern

We have the pleasure to confirm the accreditation by our company of Class NK (NIPPON KAIJI KYOKAI, 4-7, KIOI-CHO, CHIYODA-KU, TOKYO 102-8567, JAPAN) as Marine Warranty Surveyor for the construction and operation of offshore windfarms. The approved territories are Japan, South-Korea, China, Vietnam and Taiwan.

Yours sincerely,

Maarten Mulder MSc. Eng.
