Form7-5

-		Reference No:
OF WATER LEVEL DETECTION AND ALARM SYSTEMS Applicant:		Date :
Applicant:	А	PPLICATION FOR APPROVAL OF USE
Address:	0	F WATER LEVEL DETECTION AND ALARM SYSTEMS
Address:		Applicant:
Person in charges: Section/Department:		
Phone No.:		
Phone No.:		Section/Department:
E-mail:		
Name: We hereby request approval of use of the below-described water level detection and a tem in accordance with the requirements of 13.8.5 and/or 13.8.6, Part D of the Rules for the requirements of Steel Ships accompanied by the following data and information of System: Name of System:		
We hereby request approval of use of the below-described water level detection and a tem in accordance with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules forward Construction of Steel Ships accompanied by the following data and informate Name of System:		
Type and Model No.: Manufacture's Name: Manufacture's Address: Specifications and Dimensions: (principal data and information only) Intended for: <u>(space in use)</u>	ystem in accorda	equest approval of use of the below-described water level detection and a nce with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules f
Manufacture's Address: Specifications and Dimensions: (principal data and information only) Intended for: <u>(space in use)</u>	ystem in accorda urvey and Cons	equest approval of use of the below-described water level detection and a nce with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules f accompanied by the following data and informa
Manufacture's Address: Specifications and Dimensions: (principal data and information only) Intended for: <u>(space in use)</u>	ystem in accorda Survey and Cons Name	equest approval of use of the below-described water level detection and a nce with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules f etruction of Steel Ships accompanied by the following data and informate of System:
Intended for:(space in use)	system in accorda Survey and Cons Name Type	equest approval of use of the below-described water level detection and a nce with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules f (truction of Steel Ships accompanied by the following data and informate of System:
	system in accorda Survey and Cons Namo Type Manu	equest approval of use of the below-described water level detection and a nce with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules f truction of Steel Ships accompanied by the following data and informate of System: and Model No.: afacture's Name:
(limitation of cargoes)	system in accorda Survey and Cons Namo Type Manu Manu	equest approval of use of the below-described water level detection and a nce with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules f truction of Steel Ships accompanied by the following data and informa e of System: and Model No.: ifacture's Name: ifacture's Address:
	system in accorda Survey and Cons Name Type Manu Manu Speci	equest approval of use of the below-described water level detection and a nce with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules f (truction of Steel Ships accompanied by the following data and informate of System: and Model No.:
Applicant:	system in accorda Survey and Cons Name Type Manu Manu Speci	equest approval of use of the below-described water level detection and a nce with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules f truction of Steel Ships accompanied by the following data and informate of System:
	system in accorda Survey and Cons Name Type Manu Manu Speci	equest approval of use of the below-described water level detection and a nce with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules f truction of Steel Ships accompanied by the following data and informate of System:
	ystem in accorda urvey and Cons Namo Type Manu Manu	equest approval of use of the below-described water level detection and nce with the requirements of 13.8.5 and/or 13.8.6, Part D of the Rules attruction of Steel Ships accompanied by the following data and inform e of System: and Model No.: ifacture's Name: ifacture's Address:
(signature)	ystem in accorda urvey and Cons Nama Type Manu Manu Speci	equest approval of use of the below-described water level detection and a nce with the requirements of 13.8.5 and/or 13.8.6 , Part D of the Rules f truction of Steel Ships accompanied by the following data and informat e of System: and Model No.: and Model No.: ifacture's Name: ifacture's Address: fications and Dimensions: (principal data and information only) ded for:(space in use) (limitation of cargoes)
