
RULES FOR CARGO HANDLING APPLIANCES

RULES

2019 AMENDMENT NO.2

Rule No.110 27 December 2019

Resolved by Technical Committee on 22 July 2019

An asterisk (*) after the title of a requirement indicates that there is also relevant information in the corresponding Guidance.

“Rules for cargo handling appliances” has been partly amended as follows:

Chapter 2 SURVEYS

2.2 Surveys of Cargo Handling Appliances

2.2.2 Timing of Surveys*

Sub-paragraph (4) has been amended as follows.

The timing of the Surveys of cargo handling appliances are to be in accordance with the followings:

- (1) A Registration Survey is to be carried out when the safety working load, etc. are assigned for the first time.
- (2) Annual Thorough Surveys are to be carried out at the dates not exceeding 12 *months* from the date of completion of the Registration Survey or the previous Annual Thorough Survey.
- (3) Load Tests are to be carried out at the Registration Survey and at the dates not exceeding 5 *years* from the date of completion of the Registration Survey or the previous Load Test.
- (4) An Occasional Survey is to be carried out when the cargo handling appliances fall under any of the following conditions at the time other than Periodical Surveys. To implement the survey, in lieu of the traditional ordinary surveys where a surveyor is in attendance, the Society may approve survey methods which it considers to be appropriate.
 - (a) When serious damage is caused on the structural members and the repair or conversion is made
 - (b) When major conversion is made in the cargo handling procedures, rigging arrangements, operation and control methods
 - (c) When the assignment and marking of safe working load, etc. is altered
 - (d) Other cases when considered necessary by the Society
- (5) The classed ships may be subject to Unscheduled Surveys when the confirmation of the status of appliances by survey is deemed necessary in cases where the Society suspects appliances of not being in continued compliance with the Rules and Regulations of the Society, and of not being properly maintained and operated by the ship owner. At Unscheduled Surveys, investigations, examinations or tests are to be made to the satisfaction of the Surveyor with respect to the matters concerned.

EFFECTIVE DATE AND APPLICATION

1. The effective date of the amendments is 27 December 2019.

GUIDANCE FOR CARGO HANDLING APPLIANCES

GUIDANCE

2019 AMENDMENT NO.1

Notice No.77 27 December 2019

Resolved by Technical Committee on 22 July 2019

Notice No.77 27 December 2019

AMENDMENT TO THE GUIDANCE FOR CARGO HANDLING APPLIANCES

“Guidance for cargo handling appliances” has been partly amended as follows:

Chapter 2 SURVEYS

2.2 Surveys of Cargo Handling Appliances

Paragraph 2.2.2 has been added as follows.

2.2.2 Timing of Surveys

The wording “the Society may approve the survey methods which it considers to be appropriate.” in 2.2.2(4) of the Rules means survey methods which the Society considers to be able to obtain information equivalent to that obtained through traditional ordinary surveys where a surveyor is in attendance.

EFFECTIVE DATE AND APPLICATION

1. The effective date of the amendments is 27 December 2019.
