

## **Amendment of the Guidance related to Dangerous Chemical Substances -IMO MEPC.2/Circ.12-.**

### **Outline of the amendment**

The revised IBC Code was adopted at MEPC52 (11 to 15 October 2004) and MSC79 (1 to 10 December 2004) as Resolution *MEPC.119(52)* and Resolution *MSC.176(79)* respectively. It entered into force on 1 January 2007.

After that, IMO is circulating *MEPC.2/Circ.12*, which includes the requirements for each dangerous chemical substance of provisional assessment except those specified in the revised IBC Code and the modifications to the revised IBC Code.

This amendment references the latest version of *IMO MEPC.2/Circ.*
