

The Type Approval Tests for Sewage Treatment Plants

Amended Guidance

Guidance for Marine Pollution Prevention Systems

Guidance for the Approval and Type Approval of Materials and Equipment for Marine Use

Reason for Amendment

- (1) At the 55th Session of the IMO Marine Environment Protection Committee (MEPC 55) in October 2006, Resolution MEPC.159(55) which revised the Guidelines on the Implementation of Effluent Standards and Performance Tests for Sewage Treatment Plants was adopted.

Accordingly, relevant requirements are amended in accordance with Resolution MEPC.159(55).

- (2) The formula for calculating the capacity of holding tanks is amended according to the Ministry of Land, Infrastructure, Transport and Tourism (MLIT) KOKKAIAN. No. 153-2 dated 19 March 2008.

Outline of Amendment

- (1) All relevant requirements regarding the implementation of effluent standards and performance tests for sewage treatment plants are amended according to IMO Res. MEPC. 159(55)
- (2) The formula for calculating the capacity of holding tanks is amended.
