

## **Name of “Auditor”**

### **Amended Rules**

Rules for the Audit and Registration of Safety Management Systems

Rules for the Audit and Registration of Ship Security Management Systems

### **Reason for Amendment**

The name used to describe the person who carries out audits of safety management systems and ship security management systems has been changed in accordance with amendments made to the Society’s Regulations for the Appointment of Surveyors effective on 1 November 2009.

Therefore, all relevant requirements have been amended in accordance with the above.

### **Outline of Amendment**

The name used to describe the person who carries out the audits of safety management systems and ship security management systems has been changed.
