

## **Confidentiality concerning Early Warning Scheme (EWS)**

### **Amended Rule**

Conditions of service for classification of ships and registration of installations

### **Reason for Amendment**

The confidentiality requirements concerning EWS related to serious failure incident reports have been amended in reference to IACS PR No.2 revised in July 2009.

### **Outline of Amendment**

The confidentiality requirements concerning EWS related to serious failure incident reports have been amended to apply to non-member classification societies involved in such incidents in addition to IACS members.
