

The Issuance of Statutory Certificate

Amended Guidance

Guidance for the Classification and Registry of Ships

Reason for Amendment

The Japanese Government has announced that it has amended the Ship Safety Act and other related ordinances to allow the issuance of Certificate of Fitness for the Carriage of Liquefied Gases in Bulk for Japanese flagged ships to be performed by the Society.

Accordingly, relevant application forms* have been amended to comply with the above.

* The survey application forms and the issuance of certification application forms for both Japanese flagged ships and non Japanese flagged ships are the same.

Outline of Amendment

Application forms related to issuance of the Certificate of Fitness for the Carriage of Liquefied Gases in Bulk have been amended.
